PHOTOGRAPHY AND VIDEO AND AUDIO RECORDING POLICY

ASBMR expects that attendees will respect each presenter’s willingness to provide free exchange of scientific information without the abridgement of his or her rights or privacy and without the unauthorized copying and use of the scientific data shared during his or her presentation.

In addition, it is expected that attendees will respect Exhibitors’ desires not to have their products or booths photographed, video or audio recorded. Cameras will not be permitted in the Exhibit Halls, the Poster Sessions, or any session without written permission from the ASBMR and the permission of the presenter/author.

The use of cameras, video and/or audio recording equipment is strictly prohibited within all sessions, the Exhibit Halls, and the Poster Sessions without the express written consent of the ASBMR. Unauthorized use of photography, video or audio equipment may result in the confiscation of the equipment or the individual may be asked to leave the Scientific Session or Exhibit Hall. These rules will be strictly enforced.
